Tree Warden**

**NOTICE OF PUBLIC HEARING**

In accordance with Massachusetts General Laws (MGL), Chapter 87, Public Shade Tree Law, Section 3 (Cutting of Public Shade Trees; Hearing; Damages), the Town of Chelmsford Tree Warden will hold a public hearing regarding an application for National grid to remove public shade trees on Tuesday August 26, 2025 at 1 pm at 9 Alpha Rd, Chelmsford MA. Any person interested or wishing to be heard on this matter should appear at the time and place designated.

The program included a tree-by-tree hazard assessment of public and private trees, along three-phase lines which serve the community. The work is recommended to remove hazard trees for additional clearance in order to reduce tree outage problems affecting large numbers of customers served by these main lines. National Grid's arborists have identified two (2) town trees for removal along town roads. Town trees located within the public way that are designated for removal have been marked with a small red ribbon and posted with a notice of public hearing in the field.

The road with town trees affected by the program is Main St. A complete list of town trees designated for removal or pruning including information about the location, size and species of the affected trees and the reason for work proposed, is available on weekdays from the Chelmsford DPW and Chelmsford Town Offices during normal business hours.

**Christine Clancy, Tree Warden**
