Approval of Minutes

The minutes of the January 29, 2025 were approved.

Working Session with Berry Dunn Consultants

The committee discussed managed growth. Some members felt input was needed from FinCom while others felt that is beyond the scope and time frame of this committee. SPSC should define the Town's objectives regarding growth. Who leads parts of the plan can be determined later. Growth should be data driven and the Planning Board will be the primary lead and involve other stakeholders as needed. The tree canopy and natural water resources were discussed. Stakeholder for Quality of Life were reviewed.

The draft plan will be sent to town employees for review next week. At the next meeting, the public survey will be reviewed.

Scheduling Next Meetings

The next meetings are scheduled for February 26th at 5:00, March 27th at 5:30, and April 15th at 5:30. The February 13th meeting is cancelled.

Meeting adjourned at 7:20 PM.
